2. RESTRICTIONS ON PURCHASES

For security reasons, no purchases worth more than 1.500€ or containing more than 40 items per order will be accepted.

3. PRICE

The applicable prices are those quoted on the website at the time the order is placed. The prices are displayed for each product and are inclusive of VAT (Value Added Tax). Customers are informed of the breakdown of the shipping costs when the order is placed. Tendam Retail S.A. reserves the right to make any changes it considers necessary at any time; it may update, including on a daily basis, products and prices in accordance with new items that are included on the website.

Payment service providers may also adopt anti-fraud measures that restrict certain types of operations or transactions. Tendam holds no responsibility for the application of this type of security policies.

5. DELIVERY

The delivery time shall not exceed 30 days since the purchase date. Deliveries will be shipped to the address specified by the customer following these guidelines:

5.1 Home delivery: Customer will pay shipping costs for purchases under 30€ with delivery addresses in Spain (Mainland and Balearic Islands) and Portugal, also for purchases under 70€ with delivery address in Canary Islands, Ceuta and Melilla, also for purchases under 100€ in Austria, Belgium, Denmark, Finland, France, Germany, Holland, Ireland, Italy, Luxembourg, Sweden and the United Kingdom. Shipping to the rest of the UE (Bulgaria, Czech Republic, Hungary, Poland, Slovakia and Switzerland) has a fixed cost of 29,95€. Furthermore, in the case of items shipped to the Canary Islands, Ceuta, Melilla or any country outside of the European Union, customers are liable for the customs duties applicable on receipt of the order (these costs vary according to package weight), which are payable at the time the package is received and in no case will be included in the price paid for the products. The delivery address specified by the customer may be a home address, their workplace address or any other desired address. It is not necessary for the delivery and invoice addresses to be the same. The customer will receive a delivery notice prior to receiving the order with options for changing the date and delivery address.

5.2 Pick up In-store: (only available in France, Belgium, Luxembourg and mainland Portugal): Customers can also choose to pick up their purchases on most of the Women's secret stores. "Pick up in-store" option must be selected as the shipping method during the purchase process. A list of stores will become available for the customer to choose the most convenient. Shipping costs for purchases under 50€ in France, Belgium and Luxembourg may apply and for purchases under 20€ in Portugal. The customer will receive a delivery notice prior to receiving the order. Once the order is delivered to the selected store, the customer will receive an SMS notifying that the order has arrived. The customer will then have a maximum period of 15 days to pick it up, otherwise, if after that period of time the order remains uncollected, for any reason not imputable to our Company, we will understand that the customer wishes to cancel the order. Consequently, we will refund the amount for products (including shipping costs from the original purchase) within 14 calendar days since the date we assume the order was cancelled. The refund will be made via the same method used for payment.

5.3 Gift orders: Customers may pay for an order and decide to have it delivered as a gift to someone else. "This is a Gift" option must be selected as during the purchase process. Customers may also ask for wrapping paper and a card with message to be included. Important: the invoice included in the delivery does not include the price of products bought, therefore being of no use to exchange or return a product. In order to do so, the buyer must log in into the account and print the original invoice which includes the prices.

5.4 Issues with a delivery: In the case of unsuccessful delivery because the person is absent, the shipping company will leave a notification and will try to contact the delivery person by phone. After two more attempts, the customer will need to contact the shipping Company in order to arrange the delivery.
